Discount Sheet on Application

TO THE TRADE. In the manufacture of Mechanics' Tools we follow one set purpose only, that of making "Tools for business at a business price." In doing this we make no attempt whatever to compete with any cheap class of tools, making only one grade — the best we can produce for the purpose.

Correct design, the best of materials and high grade workmanship produce—"tools for business—

An up-to-date plant, modern methods, with no unnecessary or useless expense, enables us to produce the tools—at a business price."

Both combined produce the class of tools described in the following pages, each one of which bears our name—our only trade-mark, which is a guarantee of the highest quality.

Unless otherwise stated all of these tools have polished heads and points, with bodies black or carbon finish. Each tool is coated with an anti-rust solution, and those not packed in boxes are wrapped in a special anti-rust paper.

Our prices are subject to change without notice. Be sure you have our latest discount sheet.

Stub Caulking Tools

Made of ¾″ octagon steel, about 7″ long over all. Blades 1″ to 1½″ long.

No.	500	501	502	503	504
Thickness of ends	⅛″	3-16″	¼″	⅜″	½″

All sizes. One dozen each size in a box.... $6.00 per Doz.

Offset Right and Left Caulking Tools

This is an improved pattern of Offset Caulking Tool, with a thin flat blade which hugs around the pipe, and can be used in a narrower space than the ordinary style. The handle is also offset from the pipe to give the fingers plenty of room.

Made of ¾″ octagon, about 14″ long over all. Caulking end 3-16″ thick.

No. 505. Packed in pairs. Three pairs in box. $8.00 per Doz.

Right Angle Right and Left Hand Caulking Tools

Made of ⅝″ octagon, about 11″ long over all. Caulking end 3-16″ thick.

No. 506. Half dozen in a box..... $7.00 per Doz.

45° Elbow Caulking Tools

This tool is of special design for caulking the inside bend of 45° elbows, and is unexcelled for that purpose.

Made of ⅝″ octagon, about 6½″ long over all. Caulking end 3-16″ thick.

No. 507. One dozen in a box..... $6.00 per Doz.

Ceiling Drop Caulking Tools

This tool has a solid forged offset handle, which is far superior to a welded offset or one doubled over from a smaller size of stock. Will stand the severest kind of hammering without the handle dropping off.

About 15″ long over all. Caulking end 3-16″ thick.

No. 508. Half dozen in a box..... $10.00 per Doz.

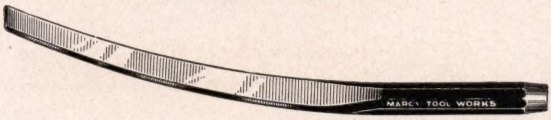
Yarning Iron, Flat Pattern

Made in the same manner as the Stub Caulking Tools except in the length of blade.

¾″ octagon, blade 5″ long, by ⅛″ thick at point.

No. 509. Half dozen in a box..... $6.50 per Doz.

Spring Yarning Irons

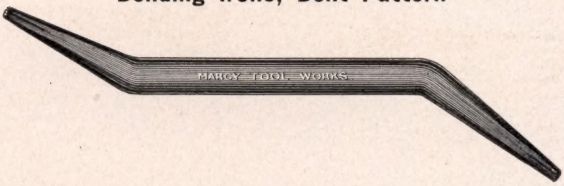


No. 510. ½″ octagon, 12″ long over all... $3.00 per Doz.

No. 511. ½″ octagon, 18″ long over all... 3.50 per Doz.

One dozen in a box.

Bending Irons, Bent Pattern



No. 512. ½″ round steel, about 12″ long.. $4.00 per Doz.

One dozen in a box.

Bending Irons, Straight End Pattern

No. 513. ½″ round steel, about 12″ long.. $4.00 per Doz.

One dozen in a box.

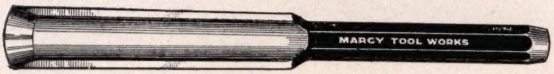
Hammer Head Floor Chisels

Excellent tools for cutting joists, boards and floor openings, and will not balk at nails.

No. 514. 5/8″ octagon, 10″ long, blade 3″x3/4″, $5.00 Doz.
No. 515. 3/4″ octagon, 10″ long, blade 4″x1 1/4″, 6.00 Doz.

Half dozen in a box.

Hammer Head Gouges

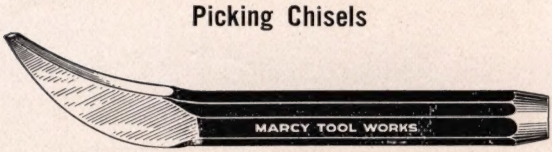


Designed for the same use as Hammer Head Floor Chisels.

No. 516. 5/8″ octagon, 10″ long, blade 3″x3/4″, $5.00 Doz.
No. 517. 3/4″ octagon, 10″ long, blade 4″x1 1/4″, 6.00 Doz.

Half dozen in a box.

Picking Chisels



For picking lead out of soil pipe joints.

No. 518. 5/8″ octagon, 8″ long, blade 3-16″ at point, $5.00 Doz.

Half dozen in a box.

Plugging or Jointing Chisels

For cutting out mortar joints in brick walls.

No. 519. 5/8″ octagon, 12″ long, blade 6″x3-16″, $5.00 Doz.

Half dozen in a box.

Wall Chisels

For cutting through concrete, stone or brick walls.

No. 520. 1/2″ octagon, 12″ long..... $3.00 per Doz.
No. 521. 5/8″ octagon, 15″ " ..... 6.75 " "
No. 522. 3/4″ octagon, 18″ " ..... 9.50 " "

In packages of one-fourth dozen.

Star Drills

For brick, concrete or stone.

No. 523. 3/8″ size, 8″ long..... $1.60 per Doz.
No. 524. 1/2″ " 10″ " ..... 2.40 " "
No. 525. 5/8″ " 12″ " ..... 3.40 " "
No. 526. 3/4″ " 14″ " ..... 4.20 " "
No. 527. 1″ " 16″ " ..... 5.60 " "
No. 528. 1 1/4″ " 20″ " ..... 8.20 " "

In packages of one-fourth dozen.
